**Membership Application or Renewal**  
*Support Sustainable Public Transit -- Join the ETC*

The *Edmonton Trolley Coalition* (ETC) is a citizens action group that supports continued investment in electrically operated transit modes (trolleybuses and LRT) as an important part of the transportation network. We are advocates for maintaining the quality of life in Edmonton's core communities as well as the long-term sustainability of public transit in the face of rising petroleum prices. Your membership will help to support our continued efforts.

Both regular and associate (non-voting) memberships are available and are open to individuals as well as organizations.

To apply for regular membership in the ETC or to renew your membership, simply fill in the form below and send, along with your membership payment, to the address below.

If you are a new applicant, the ETC will contact you as soon as your membership has been processed.

Please make cheques/money orders payable to the *Edmonton Trolley Coalition*. Thank you kindly for your support!
