

The
Edmonton Trolley Coalition's
2025 Electric Bus Photo Calendar

Enjoy premium electric bus transit all year long! This 12-month specialty calendar features full color photos of both current and vintage trolleybuses from systems in the United States and Canada. A different photo is featured each month. Calendar pages feature large boxes for each day—lots of space to pencil in your special events, appointments and other notes. This is a hand-made product produced by volunteers as a fundraiser. Please note that a limited quantity of these calendars has been produced, so it is important to order without delay.
